## festival

**Definition:**

In general, a festival is a celebration held by a community of people.

- The word for "festival" in the Old Testament literally means "appointed time."
- The festivals celebrated by the Israelites were specially appointed times or seasons that God had commanded them to observe.
- In some English translations, the word "feast" is used instead of festival because the celebrations included having a large meal together.

- There were several main festivals that the Israelites celebrated every year:

- Passover

- Festival of Unleavened Bread
- Firstfruits
- Festival of Weeks (Pentecost)
- Festival of Trumpets
- Day of Atonement

- Festival of Shelters

- The purpose of these festivals was to thank God and to remember the amazing things he had done to rescue, protect, and provide for his people.
- A person who "celebrates" acts as if he were at a festival.

## filled with the Holy Spirit

**Related Ideas:**

full of the Holy Spirit

**Definition:**

The term "filled with the Holy Spirit" is a figurative expression that, when used to describe a person means the Holy Spirit is empowering that person to do God's will.

- The expression "filled with" is an expression that often means "controlled by."
- People are "filled with the Holy Spirit" when they follow the Holy Spirit's leading and completely rely on him to help them do what God wants.

**Translation Suggestions:**

- This term could be translated as "empowered by the Holy Spirit" or "controlled by the Holy Spirit." But it should not sound as though the Holy Spirit is forcing the person to do something.

- A sentence such as "he was filled with the Holy Spirit" could be translated as "he was living fully by the Spirit's power" or "he was completely guided by the Holy Spirit" or "the Holy Spirit was guiding him completely."
- This term is similar in meaning to the expression "live by the Spirit," but "filled with the Holy Spirit" emphasizes the completeness with which a person allows the Holy Spirit to have control or influence over his life. So these two expressions should be translated differently, if possible.
