## fruit

**Related Ideas:**

bear fruit, crop, fruitful, produce, productive land, unfruitful

**Definition:**

The term "fruit" literally refers to the part of a plant that can be eaten. * A "fruitful" plant is one that has a lot of good fruit. * The expression "fruit of the land" refers generally to everything that the land produces for people to eat. This includes not only fruits such as grapes or dates, but also vegetables, nuts, and grains. * The term "crop" can refer to what people have planted for for food. * The term "crop" can refer to the food that is harvested at one time.

Sometimes the term "fruit" and ideas related to it are used figuratively. * In general, the expression "fruit of" refers to anything that comes from or that is produced by something else. For example, the "fruit of wisdom" refers to the good things that come from being wise. * The expression "fruit of the womb" refers to "what the womb produces"—that is, children. * The Bible often uses "fruit" to refer to a person's actions. Just as fruit on a tree shows what kind of tree it is, in the same way a person's words and actions reveal what his character is like. * The expression "fruit of the Spirit" refers to godly qualities that the Holy Spirit produces in the lives of people who obey him. * The term "fruitful" can be used figuratively to mean "prosperous." This often refers to having many children and descendants, as well as having plenty of food and other wealth.

- The expression "fruit of the womb" could be translated as "what the womb produces" or "children a women gives birth to" or just "children." When Elizabeth says to Mary "blessed is the fruit of your womb," she means "blessed is the child you will give birth to." The project language may also have a different expression for this.
- Another expression "fruit of the vine," could be translated as "vine fruit" or "grapes."
- Depending on the context, the expression "will be more fruitful" could also be translated as "will produce more fruit" or "will have more children" or "will be prosperous."
- The apostle Paul's expression "fruitful labor" could be translated as "work that brings very good results" or "efforts that result in many people believing in Jesus."

## goat

**Related Ideas:**

goatskins, kid, scapegoat, young goat

**Definition:**

A goat is a medium-sized, four-legged animal which is similar to a sheep and is raised primarily for its milk and meat. A baby goat is called a "kid."

- Like sheep, goats were important animals of sacrifice, especially at Passover.

- Although goats and sheep can be very similar, these are some ways that they are different:
- Goats have coarse hair; sheep have wool.
- The tail of a goat stands up; the tail of a sheep hangs down.
- Sheep usually like to stay with their flocks, but goats are more independent and tend to wander away from their herds.
- In Bible times, goats were often the main source of milk in Israel.
- Goat skins were used for tent coverings and to make bags for holding wine.
- In both the Old and New Testaments, the goat was used as a symbol for unrighteous people, perhaps because of its tendency to wander away from the one taking care of it.
- The Israelites also used goats as symbolic sin bearers. When one goat was sacrificed, the priest would lay his hands on a second, live goat, and send it into the desert as a symbol that the animal was bearing the people's sins.

## goat

**Related Ideas:**

goatskins, kid, scapegoat, young goat

**Definition:**

A goat is a medium-sized, four-legged animal which is similar to a sheep and is raised primarily for its milk and meat. A baby goat is called a "kid."

- Like sheep, goats were important animals of sacrifice, especially at Passover.
- Although goats and sheep can be very similar, these are some ways that they are different:
- Goats have coarse hair; sheep have wool.
- The tail of a goat stands up; the tail of a sheep hangs down.
- Sheep usually like to stay with their flocks, but goats are more independent and tend to wander away from their herds.
- In Bible times, goats were often the main source of milk in Israel.
- Goat skins were used for tent coverings and to make bags for holding wine.
- In both the Old and New Testaments, the goat was used as a symbol for unrighteous people, perhaps because of its tendency to wander away from the one taking care of it.
- The Israelites also used goats as symbolic sin bearers. When one goat was sacrificed, the priest would lay his hands on a second, live goat, and send it into the desert as a symbol that the animal was bearing the people's sins.
