filled with the Holy Spirit

Related Ideas:

full of the Holy Spirit

Definition:

The term "filled with the Holy Spirit" is a figurative expression that, when used to describe a person means the Holy Spirit is empowering that person to do God's will.

- The expression "filled with" is an expression that often means "controlled by."
- People are "filled with the Holy Spirit" when they follow the Holy Spirit's leading and completely rely on him to help them do what God wants.

Translation Suggestions:

- This term could be translated as "empowered by the Holy Spirit" or "controlled by the Holy Spirit." But it should not sound as though the Holy Spirit is forcing the person to do something.
- A sentence such as "he was filled with the Holy Spirit" could be translated as "he was living fully by the Spirit's power" or "he was completely guided by the Holy Spirit" or "the Holy Spirit was guiding him completely."
- This term is similar in meaning to the expression "live by the Spirit," but "filled with the Holy Spirit" emphasizes the completeness with which a person allows the Holy Spirit to have control or influence over his life. So these two expressions should be translated differently, if possible.

goat

Related Ideas:

goatskins, kid, scapegoat, young goat

Definition:

A goat is a medium-sized, four-legged animal which is similar to a sheep and is raised primarily for its milk and meat. A baby goat is called a "kid."

- Like sheep, goats were important animals of sacrifice, especially at Passover.
- Although goats and sheep can be very similar, these are some ways that they are different:
- Goats have coarse hair; sheep have wool.
- The tail of a goat stands up; the tail of a sheep hangs down.
- Sheep usually like to stay with their flocks, but goats are more independent and tend to wander away from their herds.
- In Bible times, goats were often the main source of milk in Israel.
- Goat skins were used for tent coverings and to make bags for holding wine.
- In both the Old and New Testaments, the goat was used as a symbol for unrighteous people, perhaps because of its tendency to wander away from the one taking care of it.
- The Israelites also used goats as symbolic sin bearers. When one goat was sacrificed, the priest would lay his hands on a second, live goat, and send it into the desert as a symbol that the animal was bearing the people's sins.

Definition:

A false god is something that people worship instead of the one true God. The term "goddess" refers specifically to a female false god.

- These false gods or goddesses do not exist. Yahweh is the only God.
- People sometimes make objects into idols to worship as symbols of their false gods.
- In the Bible, God's people frequently turned away from obeying him in order to worship false gods.
- Demons often deceive people into believing that the false gods and idols they worship have power.
- Baal, Dagon, and Molech were three of the many false gods that were worshiped by people in Bible times.
- Asherah and Artemis (Diana) were two of the goddesses that ancient peoples worshiped.

An idol is an object that people make so they can worship it. Something is described as "idolatrous" if it involves giving honor to something other than the one true God.

- People make idols to represent the false gods that they worship.
- These false gods do not exist; there is no God besides Yahweh.
- Sometimes demons work through an idol to make it seem like it has power, even though it does not.
- Idols are often made of valuable materials like gold, silver, bronze, or expensive wood.
- An "idolatrous kingdom" means a "kingdom of people who worship idols" or a "kingdom of people who worship earthly things."
- The term "idolatrous figure" is another word for a "carved image" or an "idol."

Translation Suggestions:

- There may already be a word for "god" or "false god" in the language or in a nearby language.
- The term "idol" could be used to refer to false gods.
- In English, a lower case "g" is used to refer to false gods, and upper case "G" is used to refer to the one true God. Other languages also do that.
- Another option would be to use a completely different word to refer to the false gods.
- Some languages may add a word to specify whether the false god is described as male or female.

heal

Related Ideas:

cure, healer, health, healthy, make fresh, make well, recover, unhealthy

Definition:

The terms "heal" and "cure" both mean to cause a sick, wounded, or disabled person to be healthy again.

- A person who is "healed" or "cured" has been "made well" or "made healthy."
- Healing can happen naturally since God gave our bodies the ability to recover from many kinds of wounds and diseases. This kind of healing usually happens slowly.
- However, certain conditions, such as being blind or paralyzed, and certain serious diseases, such as leprosy, however do not heal on their own. When people are healed of these things, it is a miracle that usually happens suddenly.

- For example, Jesus healed many people who were blind or lame or diseased, and they became well right away.
- The apostles also healed people miraculously, such as when Peter caused a crippled man to immediately be able to walk.
- A person who is "healthy" has no disease. It may be that he has been healed or that he has simply not been ill for a long time.
- Health can be a metaphor for anything that is good or trustworthy. "Healthy teaching" is teaching that people can depend on to be true and helpful and morally good.

- The apostles also healed people miraculously, such as when Peter caused a crippled man to immediately be able to walk.
- A person who is "healthy" has no disease. It may be that he has been healed or that he has simply not been ill for a long time.
