Fa riha ze mitsara le manao reo avao kea. 2Nefa haintika fa ty fitsaran'Agnahare le arake ty made laha fa mitonta
amireo ze manao zaka manahake reo zay.3Fa dineho zao, ry ndaty, riha ty mitsara reo ze manao zaka manahake
reo le manao hoe rey kea aza riha. Hilay ty fitsaran'Agnahare vao riha? 4Sa maivagnenao ty harea ty hasoam-
pagnahine, ty fandeferane, naho ty faharetane? Tsy hainao vao fa ty hasoam-pahine le natao hitarike anao amity
fibebaha?5Fa zay le ho amity habey ty hamafe vaho tsy fibebaha ty arofonareo ro amorianareo heloke hoahy ty
vatanareo amity andro ty heloke, zay le, ty andro ty fanoroa ty fitsara maren'Agnahare. 6Hamale ty ndaty iaby
amity fatra mitovy amireo nataone Re: 7hagnomea arake ty fahareta, ty asa soa mipay laza, hasy, ty tsy fifateza,
havelo zisikagne Re.8Fa hoahy reo ze mipay hoahy ty vatane, ze tsy magnenke ty mare fa magnenke ty tsy
hamarea, le ho avy ty heloke vaho ty falakia. 9Zagnahare le handay fijalea vaho fahantra amity fagnahy ty ndaty
iaby ze nanao raty, amity Jiosy aloha, naho amity Grika avao kea.10Fa ansta, laza, naho fiadagna ro hoavy amiereo
ze manao ty soa, amity Jiosy aloha, naho amity Grika avao kea. 11Fa tsy misy vande miarake amin'Agnahare. 12Fa
iaby ze nanonta tsy nana ty lily lo ho robake tsy mana lily avao kea, naho iaby ze nanonta niarake tamity fagnaja
ty lily le ho tsarae arake ty lily.13Fa tsy reo mpaharey ty lily ro mare eo agnoloan'Agnahare, fa reo ze manao ty
liline ro nihamaregne. 14Fa reo Jentilisa, ze tsy mana ty lily, laha fa manao ty zaka miomba ty lily arake ty
voanjagnahare, le iereo ro lily hoahy ty vatane, ndra le tsy mana ty lily aza iereo.15Amizay ro nanoroa iereo fa ty
asa angatahe ty lily le voasoratre ao agnarofo iereo. Ty dine iereo avao kea le vavolombelo hoahy iereo, naho ty
say iereo avao le ndra magnameloke ndra miaro iereo amity vata iereo 16naho kea amin'Agnahare. Zay le hiseho
amity andro ze hitsaran'Agnahare reo tsiambaratelo ty ndaty iaby, arake ty zaka-soako, amity alala Jesosy Kirisity.
17Fa laha ohatre ka Jiosy ro hikaihanao ty vatanao naho mianky amity lily vaho mirehareha ao amin'Agnahare,
18naho mahay ty sitrampone vaho mamantatre ze zaka soa vatane satria nampianare tamity lily riha; 19naho laha
ohatre ke rese lahatre riha fa ty vatanao le mpitarike ty goa, hazava hoahy reo ze ao amity ieke, 20mpagnity ty
gege, mampianatre ty kolo, naho anagnanao ao amity lily ty toera ty fahaia vaho ty mare, le akore zay ro hatao
zay amity fomba hivelognanao ty fiaignako?21Naho riha ze mampianatre reo ilane, tsy mampianatre ty vatanao
vao riha? Riha ty mitory mandietre ty halatre, mangalatre vao riha? 22Riha ty mirehake fa tsy tokone
hitsangatsanga, mitsangatsanga vao riha? Riha ze malay ty sampe, manimba ty tempoly vao riha?23Riha ze fale
mirehareha ao amity lily, magnafa-baraka an'Agnahare vao riha amio fandikanao ty lily io? 24Fa" ty
agnaran'Agnahare le fa afa-baraka teo amireo Jentilisa naho nareo avao," arake ze le fa voasoratre.25Fa mahazo
tombone amity savatre vatane nareo laha ohatre ka magnenke ty lily, fa laha mandika ty lily nareo, le lasa tsy
voa-savatre aza nareo. 26Arake zay, laha ndaty tsy voa-savatre ro miambe ze paie ty lily, tsy hatao ho agnate ty
voa-savatre vao re ndra le tsy voa-savatre aza? 27Naho tsy ho bey ty raike ze tsy misavatre ara-boanjagnahare vao
nareo laha ohatre ka miambe ty lily voasoratre vaho ty savatre nareo, nefa mboe mandika ty lily!28Fa re le tsy
Jiosy amity toerane ambalike; ndra amity savatre ze miseho amity toerane ambaly ty nofo avao. 29Fa re le Jiosy ty
agnatene ao, naho ty savatre te ahy ty arofo, ao amity Fagnahy, fa tsy ao amity soratre. Ty fiantsa ty ndaty
manahake zay le tsy bakamity ndaty fa bakamin'Agnahare.

Chapter 3

[1]Ka ino are zane ty tombon-tsoa anagna ty Jiosy? Naho ino ro tombon-tsoa ty savatre? [2]Soa zay amity foma iaby.
Voalohane vatane, reo Jiosy le nagnaky ty talily bakamin'Agnahare.[3]Fa akore laha tsy nanam-pinoa reo Jiosy
ilane? Ty tsy finoa iereo vao ro hahavy ty fatokian'Agnahare tsy ho lefe? [4]Tsy hiny vatane anie zay. Fa kea, engao
ho hita fa mare Zagnahare, ndra le mpavande aza ty ndaty kirai-kiraike. Arake ty voasoratre hoe:" Haseho amity
rehanareo fa ndaty nareo, naho hatoro laha fa avy amity fitsara nareo."[5]Fa laha ohatre ty tsy hamareantika ro
manoro ty hamarean'Agnahare, ino ro azontika hambara? Afake mirehake vao tika fa tsy mare Zagnahare amity
fagnakarane ty helone amintika, sa tsy zay? (Mampiasa laha-drehake ty ndaty raho.) [6]Tsy hisy vatane anie zay!
Satria amity fomba akore naho ro hitsaran'Agnahare zao iaby zao?[7]Fa laha ohatre ty hamarean'Agnahare ka
magnomea fiantsa maro hoaze amity alala ty vandeko, le akore naho raho ro mboe tsarae ho mpanota? [8]Fa akore
ro tsy mirehake, arake ty talily diso te rehafe fa rehafentika, naho kea arake ty hamafe ty ilane fa nirehafentika ty
hoe:"Engao zahay hanao raty, mba hiavia ty soa"? Rarene ty fitsara atao amiereo.[9]Ka ino are? Magnomea rarene
ty vatantika vao tika? Tsy zay kea. Fa tika le fa nimeloke ty Jiosy vaho ty Grika, ie iaby, ho mpanota. [10]Zay le arake
ty voasoratre ty hoe:"Tsy misy ndaty mare, ndra le raike aza.[11]Tsy misy ndra raike aza mahay. Tsy misy ndra raike
aza mipay an'Agnahare. [12]Lasa nihatake iaby iaby. Lasa tsy misy ipaia aze ie iaby. Tsy misy mba manao ty soa, tsy
misy, ndra le raike avao aza.[13]Ty vozo iereo le kibory mivoha. Ty lela iereo le mamitake. Ty poizy iereo le mere le
ao ambane ty sogny iereo. [14]Ty vava iereo le feno ozo vaho lolom-po.[15]Ty tombo iereo le havana amity
fampimpohan-dio. [16]Ty fanimba vaho ty fijalea le egne amity lala iereo. [17]Rey ndaty rey le tsy nahay ty lala ty
fiadagna. [18]Tsy mba misy tahotre an'Agnahare eo agnoloa ty maso iereo."[19]Henanezao le haintika fa ndra ino ino
rehafe ty lily, le mahazo reo ze ambane lily. Zay le mba hahavy ty vava ty kirai-kiraike hitsy, naho mba hahazo
valene bakamin'Agnahare zao iaby zao. [20]Zay le satria tsy hisy nofo hohamaregne amity asa ty lily eo amasone. Fa
amity alala ty lily ro hahavia ty fahaia ty hadisoa.[21]Fa henanezao le nampahaie avao kea ty hamarean'Agnahare
tsy amity lily. Nihamarene ty lily vaho reo mpamisavisa, [22]fa zay, ro hamarean'Agnahare amity alala ty finoa
Jesosy Kirisity hoahy iaby ze mino. Satria tsy misy fifilia.[23]Fa nanonta ty ndaty iaby ka tsy mana ty
hasin'Agnahare, [24]naho iereo le hamaregne maimaimpoa amity hasoane amity alala ty fagnavota zao ao amy
Kirisity Jesosy.[25]Fa Zagnahare nagnoma Kirisity Jesosy ho fagnatetre amity alala ty finoa ty lione. Natolone ho
porofo ty hamareane ty kirisity, naho ty hagnenteane ty hadisoa taloha gne [26]amity faharetane. Niseho iaby iaby
zay ho fanehoa ty hamareane amize andro amizao zao. Zay le mba hahafahane magnamare fa mare ty vatane,
naho mba hanoroa fa Re le magnamare iaby naho ty finoa i Jesosy.[27]Aia are zane ty rehareha? Voafafa zay. Fa ino
ro antone? Amity asa vao? Aha, fa naho ty finoa. [28]Manam-pakevetre zay tika fa ty ndaty raike le hamaregne
arake ty finoa tsy misy reo asa ty lily.[29]Sa Zagnahare ty Jisoy arere avao vao ty Zagnahare? Feie vao tsy Zagnahare
reo Jentilisa kea Re? Eka, ahy ty Jentilisa kea. [30]Laha, raike vatane Zagnahare, le ho hamaregnene amity finoa reo
voasavatre, naho reo tsy voa-savatre kea amity alala ty finoa.[31]Foagnantika amity alala ty finoa are vao zay ty lily?
Tsy hisy vatane anie zay! Fa kea, magnenke ty lily tika.

Chapter 4

[1]Inona are ro ho rehafentika fa hita Abrahama, raentika taloha agne arake ty nofo? [2]Fa laha nihamaregne tamity
asa Abrahama, le nana antone hirehareha re, nefa tsy eo agnoloan'Agnahare. [3]Fa ino ro ambara ty Soratre Masy?"
Abrahama le nino an'Agnahare, naho nidineke ho hamarea zay."[4]Naho hoahy ze miasa, ty karamane le tsy isahe
ho hasoava, fa ho hoe ty trosa. [5]Fa hoahy ze tsy miasa kea nefa mino ty Raike ze magnamare ty mpandietre
an'Agnahare, le isahe ho hamarea ty finoane.[6]Davida avao kea le manogno tso-drano amity ndaty ze
isahen'Agnahare ho mare nefa tsy miasa. [7]Hoe re ty hoe:" Sambatre reo ze voa-vototre ty helone, naho kea reo ze
voatako ty hadisoane . [8]Sambatre ze tsy isahe Tompo heloke."[9]Amiereo voasavatre avao vao ro hanognona ze tso-
drano zay, sa amireo tsy voa-savatre kea? Fa hoe tika ty hoe:"Ty finoa le nisahe Abrahama ho hamarea." [10]Ka
akore are ro nagnisaha zay? Tamy Abrahama te fa voasavatre, sa tamie tsy mboe voa-savatre? Tsy tamie le fa
voa-savatre fa tamie mboe tsy voa-savatre.[11]Abrahama le nandrae ty famantara ty fanavara. Zay le famantara ty
hamarea ty finoa ze le fa nanagnane laha mboe tsy voa-savatre re. Ty vale ze famantara zay le lasa rae ze mino
iaby re, ndra le mboe tsy voa-savatre aza iereo. Midika zay fa ty hamarea le ho isahe hoahy iereo. [12]Nidika koa zay
fa Abrahama le lasa rae ty voa-savatre tsy hoahy reo ze voa-savatre arere avao fa hoahy reo ze magnorike ty lia
ty finoa Abrahama raentika avao kea taloha ty tsy mboe naha-voasavatre aze.[13]Fa ty fampagnategna tamy
Abrahama vaho reo fokone fa ho mpandova zao iaby zao re le tsy bakamity alala ty lily fa bakamity alala ty
hamarea ty finoa. [14]Fa laha reo ze mivelo amity lily ro mpandova, le ho foa ty finoa, naho tsinontsino ty
fampagnategna. [15]Satria ty lily le manday amity heloke, fa agne amize tsy misy lily, le tsy misy fandikan-dily.
[16]Laha ze antone zay le miseho amity finoa zay, mba hitoboha ty fampagnategna amity hasoava naho ho azo
antoke amireo foko Abrahama iaby_tsy hoahy reo ze ambane ty lily avao, fa hoahy reo ze mizara ty finoa
Abrahama avao kea. Raentika iaby re, [17]arake ty voasoratre ty hoe:" Nataoko ho rae ty firene maro riha." Teo
amity fiatreha ty nitokia Abrahama, le, Zagnahare zay, te nagnomea havelo reo mate naho mikaike reo zaka tsy
mboe misy mba hisy.[18]Ndra le tea aza reo zaka-miseho ambalike, le natoky vatane an'Agnahare ty Abrahama
amity hoavy. Ka lasa rae ty firene maro re, arake ze le fa voatalily ty hoe:Hanahake zay ty fokonao." [19]Tsy narefo
tamity finoa re. Hay Abrahama fa tsy afake ty hanagnanake re (satria le fa teo amity zato tao teo re). Niharine
avao kea re fa ty troke Saraha le tsy afake ty handay trokebey sase.[20]Nefa naho ty fampagnategnan'Agnahare, le
tsy nisalasala tamity tsy finoa ty Abrahama. Fa kea, niha-mafe tamity finoa re naho niantsa an'Agnahare. [21]Rese
lahatre vatane re fa ze nampagnategnan'Agnahare, le afake ataone avao kea. [22]Laha zao le nidineke hoaze ho
hamarea zay.[23]Naho le tsy sinoratre hoahy ty tombotsoane arere avao zay, fa nisahe hoaze zay. [24]Sinoratre
hoantika avao kea zay, hoahy ze hagnisaha zay, tika ze mino Aze ze nananga Jesosy Tompontika tamity mate. [25]Re
ty raike natolotre naho reo hadisoantika naho natsanga mba hagnamare antika.

Chapter 5

1Satria nihamaregne tamity finoa tika, le mana fiadagna miarake amin'Agnahare amity alala ty Tompontika
Jesosy kirisity. 2Amity alalane avao kea ro anagnantika lala amity finoa mbaeo amize hasoava ze itsanganantika
zay. Mifalefale amity fatokisa amean'Agnahare anay amity hoavy zahy, fatokisa ze ho zaraentika ao amity
hasin'Agnahare.3Tsy amizay avao, fa tika avao kea le mifale ao amity jalentika. Haintika fa ty fijalea le mamokatre
fahareta. 4Ty fahareta miterake fagnenkea, naho ty fagnenkea miterake fatokia ho amity hoavy. 5Ze toky zay le tsy
mandiso fagnategna, satria ty hatean'Agnahare le fa napoke tao agnarofontika tamity alala ty Fagnahy Masy, ze
namea antika.6Fa laha mboe naleme tika, le mate ara-potoa hoahy ty raty fagnahy Kirisity. 7Fa sarotre hoahy ty
ndaty raike ty ho mate hoahy ty ndaty mare. Fa , asa mete misy ndaty raike mahasaky ho mate hoahy ty ndaty
soa.8Fa Zagnahare manoro ty hateane arere ho antika, satria laha mboe mpanota tika, le mate ho antika kirisity.
9Mihoatre naho zay aza, henanezao. Laha fa nihamaregne tamity lio tika, le ho voavonje zay amity
helon'Agnahare.10Fa laha, mboe fahavalo tika, le nilongo tamin'Agnahare tamity alala ty fate ty Anane, naho
mihoatre naho zay, laha fa baka nampilongoe, le ho voavonje amity alala ty aine tika. 11Naho zay avao, fa tika
avao kea le mifale ao amin'Agnahare amity alala Tompontika Jesosy kirisity, ty nahazoantika ze filongoa zay
amizao.12Laha zao are, hoe ty nilira ty hadisoa tamity ndaty raike tamizao iaby zao, le hoe zay kea ro nilira ty fate
tamity alala ty hadisoa. Naho ty fate le niele tamity ndaty iaby, satria sambe nanota iaby iaby. 13Mandram-pisia ty
lily, le teto amizao iaby zao ty hadisoa, fa tsy misy fagnisahan-keloke tsy misy lily.14Nefa ndra zay aza, ty fate le
nanjaka nanomboke tamy Adama ka zisikamy Mosesy, ndra le teo amireo ze tsy nanota manahake ty tsy hatea
Adama aza, ty jilove ty hoavy. 15Nefa ndra zay aza, ty fagnomea le tsy manahake ty hadisoa. Fa laha tamity alala ty
hadisoa ty raike ro nahafate ty maro, le mihoatre lavitre ro natao ty hasoan'Agnahare vaho ty fagnomea
bakamity hasoa ty ndaty raike, Jesosy kirisity, namea bey hoahy maro.16Fa ty fagnomea le tsy manahake ty
vokatre bakamity raike ze nanota. Fa amity lafine raike, avy ty fitsara ho fagnameloha naho ty hadisoa ty ndaty
raike. Fa amity lafine raike hafa, ty fagnomea miafara amity fagnamarea le niavy tafara ty hadisoa maro. 17Fa
laha, tamity alala ty hadisoa ty raike, ro hanjaka ty fate amity raike, le mihoatre lavitre naho zay ty hanjaka reo
ze mandrae ty habey ty hasoava vaho ty fagnomea ty hamarea amity alala ty fifanta ty raike, le Jesosy kirisity.
18Laha zao are, satria tamity alala ty hadisoa ty raike ro nahavy ty ndaty ho amity fagnameloha, le amity alala ty
asa ty hamarea ty raike avao kea ro hahavia ty fagnamarea ty havelo hoahy ty ndaty iaby. 19Fa satria bakamity tsy
fagnenkea ty ndaty raike ro nahavy ty maro ho mpanota, le amity alala ty fagnenkea ty raike avao kea ro hahavy
ty maro ho mare.20Fa niavy tamizay ty lily, mba ho bey ty hadisoa. Nefa laha nihabey ty hadisoa, le vaho maike
nihabey ty hasoava. 21Niseho zay mba, manahake ty nanjaka ty hadisoa tamity fate, le hoe zay kea ro hanjaka ty
hasoava amity alala ty hamarea ho amity havelo zisikagne amity alala Jesosy kirisity Tompontika.

Chapter 6

[1]Ino are ro ho rehafentika? Tokone hanohy amity hadisoa vao tika mba hitomboa ty hasoava? [2]Tsy hisy vatane
anie zay. Tika ze mate ty amity hadisoa, amity fomba akore vao ro mboe hivelomantika amizay avao? [3]Tsy
hainareo vao fa reo iaby natao batisa tao amy Kirisity Jesosy le natao batisa tao amity nifatezane?[4]Ka, voaleve,
niarake tamine tamity alala ty batisa ho amity fate tika. Niseho zay mba ho hoe ty nanangana Kirisity tamity
mate tamity hasy ty Rae, ro andehanantika amity fiaignam-baovao avao kea. [5]Fa laha mikamba Amine amity
toera ty fatene tika, le hikamba amity fitsanganane avao kea.[6]Haintika zay, fa ty vatantika taloha le pineke
niarake tamine, mba hamoteha ty vata ty hadisoa. Niseho zay mba ho andevoze ty hadisoa sase tika. Re te mate le
natalily fa mare vaho afake amity hadisoa.[8]Fa laha mate niarake tamy Kirisity tika, le mino fa hiara-belo Amine
avao kea. [9]Tika le mahay fa nitsanga tamity mate kirisity, naho tsy mate sase re. Tsy manjaka amine sase ty fate.
[10]Fa laha ty miomba ty fate le mate naho ty amity hadisoa Re, mate indraike avao hoahy iaby Re. Kanefa, ty
fiaigna ze hiaignane le ivelognane ho an'Agnahare. [11]Le hoe zay, tsy mahaintsy midineke ty vatanareo ho le fa
mate amity hadisoa avao kea nareo, fa velo ho an'Agnahare ao amy Kirisity Jesosy.[12]Laha zao ko enga hanjaka ao
amity vatanareo mete mate ty hadisoa mba hanagnanareo ty paian-draty. [13]Ko atolotre hoahy ty hadisoa ty
vatanareo, ho zaka ampiasae amity tsy hamarea. Fa atoloro ho an'Agnahare ty vatanareo, hoe ty nitsanga tamity
mate te velo amizao. Naho atoloro ho an'Agnahare ty vatanareo mba ho zaka ampiasae amity hamarea. [14]Ko enga
hanjaka aminareo ty hadisoa. Satria tsy ambane ty lily nareo, fa ambane ty hasoava.[15]Ka ino are? Tokone hanota
vao tika satria tsy ambane ty lily, fa ambane ty hasoava? Tsy hisy vatane anie zay. [16]Tsy hainareo vao fa ty raike ze
anoloranareo ty vatanareo ho mpanompo le ty raike ze ho teanareo, ty iaze tsy mahaintsy ho teanareo? Mare zay
ndra mpanompo ty hadisoa te mitarike agne amity fatenareo, ndra mpanompo ty fagnenkea te mitarike agne
amity hamarea.[17]Fa isaora Zagnahare! Satria le fa mpanompo ty hadisoa nareo, kanefa nagnenke tao amponareo
ty fomba fampianara ze namea anareo. [18]Nafaha tamity hadisoa nareo, naho natao mpanompo ty hamarea.
[19]Mirehake hoe ty ndaty raho naho ty halemea ty nofonareo. Satria vatane vaho nanolotre ty vatanareo ho ndevo
ty halotoa vaho ty raty nareo, le hoe zay kea zao, atoloro ho ndevo ty hamarea ho amity hamasigna ty vatanareo.
[20]Fa tamy nareo nindevo ty hadisoa, le afake tamity hamarea. [21]Amizao, ino are ro vokatre azonareo tamireo zaka
ze mahamegnatre anareo amizao? Satria ty voka rey zaka rey le ty fate.[22]Fa amizao laha fa nafaha tamity hadisoa
nareo naho lasa mpanompon'Agnahare, le mahazo ty hamasigna. Ty vokatre le ty havelo zisikagne. [23]Fa ty voka ty
hadisoa le fate, fa ty fagnomean'Agnahare kea le ty havelo zisikagne ao amy Kirisity Jesosy Tompontika.

Chapter 7

[1]Sa tsy hainareo, ry rahalahy (Satria mirehake amity ndaty mahay ty miomba ty lily raho), fa ty lily le mibaiko ty
ndaty raike laha mboe velo kea re?[2]Fa ty ampela ze manambaly le voafehe ty lily amity valine laha mboe velo re,
fa laha mate ty valine, le afake amity lily ty fanambalia re. [3]Laha zao, laha mboe velo ty valine, laha ohatre ka
miarake amity lahilahy hafa re, le hatao ty hoe mpandehandeha re. Fa laha mate ty valine, le afake amity lily re,
ka tsy mpandehandeha re laha ohatre ka miarake amity lahilahy hafa.[4]Laha zao, ry rahalahiko, le natao mate
tamity lily avao kea nareo tamity alala ty vata Kirisity. Natao zay mba hikambana nareo amity hafa, zane hoe,
amire ty natsanga tamity mate, mba hahafahantika mamokatre voane ho an'Agnahare. [5]Fa tamintika tao amity
nofo, reo paie ty hadisoa, te hinetse ty lily, le niasa tao amireo vatantika mba hamokatre voane ho ahy ty fate.[6]Fa
henanezao le nafaha tamity lily tika. Mate tamity namehe antika tika. Zay le mba hahafahantika manompo amity
havaozam-pagnahy, fa tsy amity hantera ty soratre.[7]Ino are ro rehafentika? Ty lily vatane vao ro hadisoa? Tsy
hisy vatane anie zay. Kanefa, tsy ho nahay ty hadisoa vatane raho, laha tsy tamity alala ty lily zay. Fa tsy ho nahay
ty hatea raho laha tsy nirehake ty lily ty hoe:"Ko magniry." [8]Fa nangalake mafe tamity lily ty hadisoa ka nahavy ty
hatea iaby amiko ato. Fa laha tsy misy ty lily, le mate ty hadisoa.[9]Taloha raho le velo tsy nisy ty lily, fa laha fa
niavy ty lily, le velo ndraike ty hadisoa, ka mate raho. [10]Ty lily ze tokone handay havelo ro nivalike ho fate hoahy.
[11]Fa ty hadisoa le nangalake mafe tamity alala ty lily ka namitake ahy. Tamity alala ty lily ro namonoane ahy.
[12]Laha zao ty lily le miasa, naho ty lily le masy, mare, naho soa.[13]Ka feie vao nivalike fate hoahy ty soa? Tsy hisy
vatane anie zay. Fa ty hadisoa, mba hahafahane hiseho ho hadisoa amity alala ze soa, le nanday fate tamiko. Zay
le mba ho amity alala ty lily, ty hadisoa le mete ho lasa vatane hadisoa vatane. [14]Fa haintika fa ara-pagnahy ty lily,
fa zaho bakamity nofo. Te fa navily ho ao ambane ty fagnandevoa ty hadisoa raho.[15]Fa ty zaka ataoko, le tsy
vatane azoko soa. Satria ze teako hatao, le tsy ataoko, naho ze hejeko, le ataoko. [16]Fa laha manao ze tsy teako raho,
le miara hevetre amity lily fa soa ty lily.[17]Fa henanezao le tsy zaho sase ro manao zay, fa ty hadisoa zay velo
agnateko ato. [18]Fa haiko fa amiko ato, ze ato amity nofoko, le tsy misy zaka soa velo. Fa ty fagniria ty soa le amiko
ato, feie tsy afa-ke manao zay raho.[19]Fa ty soa ze teako le tsy ataoko, fa ty raty ze tsy teako, ro ataoko. [20]Naho laha
manao ze tsy teako raho, le tsy zaho sase ro miasa zay, fa kea ty hadisoa ze velo amiko ato. [21]Naho, zaho le nahita,
ty lily amiko ato fa te hanao ze soa raho, feie ty raty ro amiko ato zao.[22]Fa mifale ao amity lilin'Agnahare raho
amity fagnahy maha ndaty. [23]Kanefa mahita lily raike hafa ao amity miomba ty vatako raho. Zay le mialy amize
lily vaovao ao antsaiko zay. Mitana ahy ho azo ty lily ty hadisoa te ao amity miomba ty vatako zay.[24]Ndaty
mahantra raho! Ia ro hagnafake ahy amity vata ty fate toy? [25]Fa isaora Zagnahare amity alala Jesosy kirisity
Tompontika! Laha zao, zaho vatako le manompo ty lilin'Agnahare amity saiko. Ndra le zay aza, le manompo ty lily
ty hadisoa amity nofo raho.

Chapter 8

[1]Laha zao le tsy misy fimelofa sase amizao hoahy reo ze ao amy Kirisity Jesosy. [2]Fa ty lily ty Fagnahy havelo ao
amy Jesosy Kirisity ro nagnafake ahy tamity lily ty hadisoa vaho ty fate.[3]Fa ze tsy afake natao ty lily naho ty
halemea zay tamity nofo, le nataon'Agnahare. Nandefa ty anadahine Re tamity toera ty nofo feno hadisoa mba ho
fagnatetre hoahy ty hadisoa, naho nimeloke ty hadisoa tao amity nofo re. [4]Nataone zay mba ho lefe ao amintika
ty zaka paie ty lily, tika ze mandeha tsy arake ty nofo, fa arake ty Fagnahy. [5]Reo ze mivelo arake ty nofo le
mifagnenke amireo zaka ty nofo, fa reo ze velo arake ty Fagnahy le miarake amireo zaka ty Fagnahy.[6]Satria ty
fisaigna miore amity nofo le fate, fa ty fisaigna miore amity Fagnahy kea le fiaigna vaho fiadagna. [7]Ty fisaigna
miore amity nofo le fandrafea eo agnoloan'Agnahare, fa tsy mifagnarake amity lilin'Agnahare zay, ro vaho tsy
haine kea ty manao zay. [8]Reo ze ao amity nofo le tsy afake ty ho tean'Agnahare.[9]Kanefa, nareo le tsy ao amity nofo

[18]Laha zao, Zagnahare le mandefetre amize teane, naho ze teane, ro ho hamafese ty arofo.[19]Bakeo hitalily amiko

Chapter 10

[1]Ry rahalahy, ty paie ty arofoko vaho ty angataheko amin'Agnahare hoahy iereo, le ty famonjea iereo. [2]Fa

[12]Fa tsy misy maha-hafa eo amity Jiosy vaho Grika. Fa Tompo raike avao ro Tompo ty iaby, naho haream-

Chapter 11

[1]Naho nirehake raho, narian'Agnahare vao ty ndatine? Sagnatria anie zay. Fa zaho avao kea le Israelita, foko

[22]Naho, Henteo, ty hamoram-po vaho ty hasarom-pon'Agnahare. Ty agnilane, ty hasarom-po le niavy amireo Jiosy

Chapter 13

[1]Ao ty fagnahy iaby hagnenke reo manam-pahefa ambone, fa tsy misy fahefa laha tsy bakamin'Agnahare. Naho reo manam-pahefa misy le fa voatedren'Agnahare. [2]Laha zao ze mandietre ze fahefa zay le mandietre ty lilin'Agnahare; naho reo ze mandietre zay le hahazo fitsara amity vata iereo.[3]Satria reo mpandily le tsy fampitahora hoahy reo asa soa, fa ho ahy reo asa raty. Magniry ty tsy hatahotre ty raike ao amity fahefa vao nareo? Manova ty soa, le ho anstae amizay riha. [4]Fa re le mpanompon'Agnahare ho anareo amity soa. Fa laha manao ty raty nareo, le matahotre, satria tsy manday ty meso tsy amity antone re. Fa re le mpanompon'Agnahare, mapamale ty heloke amize manao raty. [5]Laha zao le tokone hagnenke nareo, tsy naho ty heloke avao, fa naho ty dineke avao kea.[6]Laha zao le mandoa hetra avao kea nareo. Chapter 3

[1]Laha zao, ry rahalahy masy, nizara ty kaike ty lagnitre nareo. Dineho ty miomba Jesosy, ty apositoly vaho

Fa ze hafatre zay le tsy nisy tombone hoahy reo ze tsy niharo tao amity finoa niarake tamiereo ze nagnenke.
('Fagnamarea:ty dikan-drehake ilane le mivaky hoe zao:"Fa ze hafatre zay le tsy nisy tombone hoahy reo ze
