divination

Related Ideas:

divine, diviner, enchantment, interpret omens, soothsayer, spells

Definition:

The terms "divination" and "soothsaying" refer to the practice of trying to get information from spirits in the supernatural world. A person who does this is sometimes called a "diviner" or "soothsayer."

- In Old Testament times, God commanded the Israelites to not practice divination or soothsaying.
- God did permit his people to seek information from him using the Urim and Thummim, which were stones that he had designated to be used by the high priest for that purpose. But he did not allow his people to seek information through the help of evil spirits.
- Pagan diviners used different methods of trying to find out information from the spirit world. Sometimes they would examine the inside parts of a dead animal or throw animal bones on the ground, looking for patterns that they would interpret as messages from their false gods.
- A person who "interprets omens" seeks supernatural knowledge from such things as tea leaves and animal organs and the weather.
- An "enchantment" or "spell" is a set of words that people believe have magic power.
- In the New Testament, Jesus and the apostles also rejected divination, sorcery, witchcraft, and magic. All these practices involve using the power of evil spirits and are condemned by God.

filled with the Holy Spirit

Related Ideas:

full of the Holy Spirit

Definition:

The term "filled with the Holy Spirit" is a figurative expression that, when used to describe a person means the Holy Spirit is empowering that person to do God's will.

- The expression "filled with" is an expression that often means "controlled by."
- People are "filled with the Holy Spirit" when they follow the Holy Spirit's leading and completely rely on him to help them do what God wants.

Translation Suggestions:

- This term could be translated as "empowered by the Holy Spirit" or "controlled by the Holy Spirit." But it should not sound as though the Holy Spirit is forcing the person to do something.
- A sentence such as "he was filled with the Holy Spirit" could be translated as "he was living fully by the Spirit's power" or "he was completely guided by the Holy Spirit" or "the Holy Spirit was guiding him completely."
- This term is similar in meaning to the expression "live by the Spirit," but "filled with the Holy Spirit" emphasizes the completeness with which a person allows the Holy Spirit to have control or influence over his life. So these two expressions should be translated differently, if possible.

Citizens found it pleasant to sit in the shade to conduct their business and even to judge legal cases.

goat

Related Ideas:

goatskins, kid, scapegoat, young goat

Definition:

A goat is a medium-sized, four-legged animal which is similar to a sheep and is raised primarily for its milk and meat. A baby goat is called a "kid."

- Like sheep, goats were important animals of sacrifice, especially at Passover.
- Although goats and sheep can be very similar, these are some ways that they are different:
- Goats have coarse hair; sheep have wool.
- The tail of a goat stands up; the tail of a sheep hangs down.
- Sheep usually like to stay with their flocks, but goats are more independent and tend to wander away from their herds.
- In Bible times, goats were often the main source of milk in Israel.
- Goat skins were used for tent coverings and to make bags for holding wine.
- In both the Old and New Testaments, the goat was used as a symbol for unrighteous people, perhaps because of its tendency to wander away from the one taking care of it.
- The Israelites also used goats as symbolic sin bearers. When one goat was sacrificed, the priest would lay his hands on a second, live goat, and send it into the desert as a symbol that the animal was bearing the people's sins.

Definition:

There are several figurative ways that "hand" is used in the Bible:

- To "hand" something to someone means to put something into that person's hands.
- The term "hand" is often used in reference to God's power and action, such as when God says "Has not my hand made all these things?"
- Expressions such as "hand over to" or "deliver into the hands of" refer to causing someone to be under the control or power of someone else.
- Some other figurative uses of "hand" include:
- To "lay a hand on" means to "harm."
- To "save from the hand of" means to stop someone from harming someone else.
- The position of being "on the right hand" means "on the right side" or "to the right."
- The expression "by the hand of" someone means "by" or "through" the action of that person. For example, "by the hand of the Lord" means that the Lord is the one who caused something to happen.
- Placing hands on someone is often done while speaking a blessing over that person.
- The term "laying on of hands" refers to placing a hand on a person in order to dedicate that person to God's service or to pray for healing.
- When Paul says "written by my hand," it means that this part of the letter was physically written down by him, rather than spoken to someone else to write down.

Translation Suggestions

- These expressions and other figures of speech could be translated using other figurative expressions that have the same meaning. Or the meaning could be translated using direct, literal language (see examples above).
- The expression "handed him the scroll" could also be translated as "gave him the scroll" or "put the scroll in his hand." It was not given to him permanently, but just for the purpose of using it at that time.
- When "hand" refers to the person, such as in "the hand of God did this," it could be translated as "God did this."
- An expression such as "delivered them into the hands of their enemies" or "handed them over to their enemies," could be translated as, "allowed their enemies to conquer them" or "caused them to be captured by their enemies" or "empowered their enemies to gain control over them."
- To "die by the hand of" could be translated as "be killed by."
- The expression "on the right hand of" could be translated as "on the right side of."
- In regard to Jesus being "seated at the right hand of God," if this does not communicate in the language that it refers to a position of high honor and equal authority, a different expression with that meaning could be used. Or a short explanation could be added: "on the right side of God, in the position of highest authority."

Definition:

The terms "heal" and "cure" both mean to cause a sick, wounded, or disabled person to be healthy again.

- A person who is "healed" or "cured" has been "made well" or "made healthy."
- Healing can happen naturally since God gave our bodies the ability to recover from many kinds of wounds and diseases. This kind of healing usually happens slowly.
- However, certain conditions, such as being blind or paralyzed, and certain serious diseases, such as leprosy, however do not heal on their own. When people are healed of these things, it is a miracle that usually happens suddenly.
- For example, Jesus healed many people who were blind or lame or diseased, and they became well right away.
- The apostles also healed people miraculously, such as when Peter caused a crippled man to immediately be able to walk.
- A person who is "healthy" has no disease. It may be that he has been healed or that he has simply not been ill for a long time.
- Health can be a metaphor for anything that is good or trustworthy. "Healthy teaching" is teaching that people can depend on to be true and helpful and morally good.

Definition:

The terms "heal" and "cure" both mean to cause a sick, wounded, or disabled person to be healthy again.

- A person who is "healed" or "cured" has been "made well" or "made healthy."
- Healing can happen naturally since God gave our bodies the ability to recover from many kinds of wounds and diseases. This kind of healing usually happens slowly.
- However, certain conditions, such as being blind or paralyzed, and certain serious diseases, such as leprosy, however do not heal on their own. When people are healed of these things, it is a miracle that usually happens suddenly.
- For example, Jesus healed many people who were blind or lame or diseased, and they became well right away.
- The apostles also healed people miraculously, such as when Peter caused a crippled man to immediately be able to walk.
- A person who is "healthy" has no disease. It may be that he has been healed or that he has simply not been ill for a long time.
- Health can be a metaphor for anything that is good or trustworthy. "Healthy teaching" is teaching that people can depend on to be true and helpful and morally good.

Definition:

In the Bible, the terms "the holy place" and "the most holy place" refer to the two parts of the tabernacle or temple building.

- The "holy place" was the first room, and it contained the altar of incense and the table with the special "bread of the presence" on it.
- The "most holy place" was the second, innermost room, and it contained the ark of the covenant.
- A thick, heavy curtain separated the outer room from the inner room.
- The high priest was the only one who was permitted to go into the most holy place.
- Sometimes "holy place" refers to both the building and courtyard areas of either the temple or tabernacle. It could also refer generally to any place that is set apart for God.

Translation Suggestions:

- The term "holy place" could also be translated as "room set apart for God" or "special room for meeting God" or "place reserved for God."
- The term "most holy place" could be translated as "room that is the most set apart for God" or "most special room for meeting God."
- Depending on the context, ways to translate the general expression "a holy place" could include "a consecrated place" or "a place that God has set apart" or "a place in the temple complex, which is holy" or "a courtyard of God's holy temple."

Definition:

"Honey" is the sweet, sticky, edible substance that honeybees make out of flower nectar. Honeycomb is the waxy frame where the bees store honey.

- Depending on the kind, honey can be yellowish or brownish in color.
- Honey can be found in the wild, such as in the hollow of a tree, or wherever bees make a nest. People also raise bees in hives in order to produce honey to eat or sell, but probably the honey mentioned in the Bible was wild honey.
- Three people that the Bible specifically mentions as eating wild honey were Jonathan, Samson, and John the Baptist.
- This term is often used figuratively to describe something that is sweet or very pleasurable. For example, God's words and decrees are said to be "sweeter than honey."
- Sometimes a person's words are described as seeming sweet like honey, but instead result in deceiving and harming others.
