Each individual believer has a special function in the body of Christ to help the whole group work together to serve God and bring him glory.
- Jesus is also referred to as the "head" (leader) of the "body" of his believers. Just as a person's head tells his body what to do, so Jesus is the one who guides and directs Christians as members of his "body."

- In the Old Testament, the term "brothers" is also used as a general reference to relatives, such as members of the same tribe, clan, or people group.

For example, James emphasizes that he is talking about all believers when he refers to "a brother or sister who is in need of food or clothing."

- In the context of referring to a fellow believer in Christ, this term could be translated as "brother in Christ" or "spiritual brother."

- If both males and females are being referred to and "brother" would give a wrong meaning, then a more general kinship term could be used that would include both males and females.
- Other ways to translate this term so that it refers to both male and female believers could be "fellow believers" or "Christian brothers and sisters."
- Make sure to check the context to determine whether only men are being referred to, or whether both men and women are included.

covenant

Related Ideas:

agreed, contract, new covenant, will

Definition:

A covenant is a formal, binding agreement between two parties that one or both parties must fulfill.

- This agreement can be between individuals, between groups of people, or between God and people.
- When people make a covenant with each other, they promise that they will do something, and they must do it.
- Examples of human covenants include marriage covenants, business agreements or contracts, and treaties between countries.
- Throughout the Bible, God made several different covenants with his people.
- In some of the covenants, God promised to fulfill his part without conditions. For example, when God established his covenant with mankind promising to never destroy the earth again with a worldwide flood, this promise had no conditions for people to fulfill.
- In other covenants, God promised to fulfill his part only if the people obeyed him and fulfilled their part of the covenant.

The term "new covenant" refers to the commitment or agreement God made with his people through the sacrifice of his Son, Jesus.

- God's "new covenant" was explained in the part of the Bible called the "New Testament."
- This new covenant is in contrast to the "old" or "former" covenant that God had made with the Israelites in Old Testament times.
- The new covenant is better than the old one because it is based on the sacrifice of Jesus, which completely atoned for people's sins forever. The sacrifices made under the old covenant did not do this.
- God writes the new covenant on the hearts of those who become believers in Jesus. This causes them to want to obey God and to begin to live holy lives.
- The new covenant will be completely fulfilled in the end times when God establishes his reign on earth. Everything will once again be very good, as it was when God first created the world.

- Some languages may have different words for covenant depending on whether one party or both parties have made a promise they must keep. If the covenant is one-sided, it could be translated as "promise" or "pledge."
- Make sure the translation of this term does not sound like people proposed the covenant. In all cases of covenants between God and people, it was God who initiated the covenant.
- The term "new covenant" could be translated as "new formal agreement" or "new pact" or "new contract."
- The word "new" in these expressions has the meaning of "fresh" or "new kind of" or "another."

Definition:

To love another person is to care for that person and do things that will benefit him. There are different meanings for "love" some languages may express using different words:

1. The kind of love that comes from God is focused on having good things happen to others even when those good things do not happen to the one who loves. This kind of love cares for others, no matter what they do. God himself is love and is the source of true love.

3. When people love others with this kind of love, they act in ways that show they are thinking of what will cause the others to thrive. This kind of love especially includes forgiving others.

semen

Definition:

A seed is the part of a plant that gets planted in the ground to reproduce more of the same kind of plant. It also has several figurative meanings.

- The literal term should also be used in contexts where it refers figuratively to God's Word.
- For the figurative use that refers to people who are of the same family line, it may be more clear to use the word "descendant" or "descendants" instead of seed. Some languages may have a word that means "children and grandchildren."
- For a man or woman's "seed," consider how the target expresses this in a way that will not offend or embarrass people.

servant

Related Ideas:

assistant, attendant, hired worker, maidservant, office, serve, service

Definition:

The word "servant" refers to a person who works for another person, either by choice or by force. Some servants were slaves, and the surrounding text usually makes it clear whether or not a particular servant was a slave. In Bible times, there was less of a difference between a servant and a slave than there is today. Both servants and slaves were an important part of their master's household and many were treated almost like members of the family. Sometimes a servant would choose to become a lifetime servant to his master.

- A slave was a kind of servant who was the property of the person he worked for. The person who bought a slave was called his "owner" or "master." Some masters treated their slaves very cruelly, while other masters treated their slaves very well, as a servant who was a valued member of the household.
- In ancient times, some people became slaves to a person they owed money to in order to pay off their debt to that person.
- In the Bible, the phrase "I am your servant" was used as a sign of respect and service to a person of higher rank, such as a king. It did not mean that the person speaking was an actual servant.
- In the Old Testament, God's prophets and other people who worshiped God were often referred to as his "servants."
- In the New Testament, people who obeyed God through faith in Christ were often called his "servants."
- Christians are also called "slaves to righteousness," which is a metaphor that compares the commitment to obey God to a slave's commitment to obey his master.

The word "serve" means to do things to help other people. It can also mean to "worship."

- In the context of a person serving guests, this term means "care for" or "serve food to" or "provide food for." When Jesus told the disciples to "serve" the fish to the people, this could be translated as, "distribute" or "hand out" or "give."
- To "serve God" can be translated as to "worship and obey God" or to "do the work that God has commanded."
- People who teach others about God are said to serve both God and the ones they are teaching.
- The apostle Paul wrote to the Corinthian Christians about how they used to "serve" the old covenant. This refers to obeying the laws of Moses. Now they "serve" the new covenant. That is, because of Jesus' sacrifice on the cross, believers in Jesus are enabled by the Holy Spirit to please God and live holy lives.

The word "service" refers to the work that a servant does. It may also refer to worship.

The word "office" refers to the position or job that a servant has.

- The apostle Paul used the term "tradition" in a different way to refer to teachings about Christian practice that came from God and that he and other apostles had taught new believers.
- In modern times, there are many Christian traditions that are not taught in the Bible, but rather are the result of historically accepted customs and practices. These traditions should always be evaluated in light of what God teaches us in the Bible.

well

Related Ideas:

cistern

Definition:

The terms "well" and "cistern" refer to two different kinds of sources for water in Bible times.

- A well is a deep hole dug into the ground so that underground water can flow into it.
- A cistern is a deep hole dug into rock that was used as a holding tank for collecting rain water.
- Cisterns were usually dug into rock and sealed with plaster to keep the water in. A "broken cistern" happened when the plaster became cracked so that the water leaked out.
- Cisterns were often located in the courtyard area of people's homes to catch the rainwater that would run off the roof.
- Wells were often located where they could be accessed by several families or a whole community.
- Because water was very important for both people and livestock, the right to use a well was often a cause of strife and conflict.
- Both wells and cisterns were usually covered with a large stone to prevent anything falling in it. Often there was a rope with a bucket or pot attached to it to bring the water up to the surface.
- Sometimes a dry cistern was used as a place to imprison someone, such as happened to Joseph and Jeremiah.
- These terms are similar in meaning. The main difference is that a well continually receives water from underground springs, whereas a cistern is a holding tank for water that usually comes from rain.

Translation Suggestions:

- Ways to translate "well" could include "deep water hole" or "deep hole for spring water" or "deep hole for drawing water."
- The term "cistern" could be translated as "stone water pit" or "deep and narrow pit for water" or "underground tank for holding water."

year**Definition:**

When used literally, the term "year" in the Bible refers to a period of time lasting 354 days. This is according to the lunar calendar system which is based on the time it takes for the moon to go around the earth.

- A year in the modern-day solar calendar lasts 365 days divided into 12 months, based on the amount of time it takes for the earth to travel around the sun.
- In both calendar systems a year has 12 months. But an extra 13th month is sometimes added to the year in the lunar calendar to make up for the fact that a lunar year is 11 days less than a solar year. This helps keep the two calendars more in line with each other.
- In the Bible, the term "year" is also used in a figurative sense to refer to a general time when a special event takes place. Examples of this include, "the year of Yahweh" or "in the year of drought" or "the favorable year of the Lord." In these contexts, "year" could be translated as "time" or "season" or "time period."

yeast**Related Ideas:**

leaven, unleavened

Definition:

"Leaven" is a general term for a substance that causes bread dough to expand and rise. "Yeast" is a specific kind of leaven.

- In some English translations, the word for leaven is translated as "yeast," which is a modern leavening agent that fills the bread dough with gas bubbles, making the dough expand before baking it. The yeast is kneaded into the dough so that it spreads throughout the entire lump of dough.
- In Old Testament times, the leavening or rising agent was produced by allowing the dough to sit for awhile. Small amounts of dough from a previous batch of dough were saved as leavening for the next batch.
- When the Israelites escaped from Egypt, they didn't have time to wait for bread dough to rise, so they made bread without leaven to take with them on their journey. As a reminder of this, every year the Jewish people celebrate Passover by eating bread that has no leaven in it.

The ideas of "leaven" and "yeast" can also be used in figurative ways.

- The terms "leaven" and "yeast" are used figuratively in the Bible as a picture of how sin spreads through a person's life or how sin can influence other people.
- They can also refer to false teaching which can spread to many people and influences them.

- They are also used in a positive way to explain how the influence of God's kingdom spreads from person to person.

Translation Suggestions

- This could be translated as "leaven" or "substance that causes dough to rise" or "expanding agent." The word "rise" could be expressed as "expand" or "get bigger" or "puff up."
- If a local leavening agent is used for making bread dough rise, that term can be used. If the language has a well-known, general term that means, "leavening," this would be the best term to use.
